

# STUDIO10

TIM SPELIOS  
*before disembarking*

*September 9<sup>th</sup> – October 9th*  
**Opening Reception: Friday, September 9th, 2016 7-9 PM**

Studio10 is pleased to present **before disembarking**, the third solo exhibition of Tim Spelios' work at the gallery. The nine large scale UV prints on aluminum in the exhibition are based on the artist's photo collage.

slam, bang! every time your screen door slams  
it leaves its imprint on your nervous system  
slam! bang! all summer long  
day in day out  
It may not mean anything  
the clapping of cupped hands

cicadas sang pulsating songs  
drops hissed as they splashed  
and oranges turned reddish brown  
eventually you become a newspaper and after one big day of  
breakfast tables, city streets, subway trains and office desks,  
spend the rest of your life in obscurity or else go up in smoke

empty truck beds bounce  
one honk and a fire truck  
I hear cars and airplanes  
together like cows and abandoned vehicles  
rewarded with over-polite applause  
the first American kindergarten was established in 1856  
bees so love the bloom  
hot and cold water ran through the pipes  
audible for a considerable distance
